

RAYLED WARRANTY

Rayled LED products will carry the following parts and labour warranty.

Warranty Period

- LED illuminator (excluding PSU) - 5 years (3 years only for Warrior II, IP and Voyager products)
- PSU – 3 years

The warranty requires return of a product directly to Rayled in the UK. Replacement of parts or product may be new or refurbished and will meet or exceed specifications of the original parts or products.

- Registration of the product is required to validate the warranty
- Proof of purchase may be required
- The repair or replacement of a faulty product within the warranty period remains at the discretion of Rayled

The Rayled warranty covers defects in parts on workmanship but does not cover fair wear and tear, defect resulting from misuse, unauthorized modification, operation or storage outside the environment specification for the product or in-transit damage.

The warranty may only be enforced by the first installer.

Summary of Benefits:

- Defects in component or workmanship
- Repair at Rayled (UK)
- Replacement of parts or product may be new or refurbished and will meet or exceed specifications of the original parts or products.
- Field and Technical Support

Defects Excluded:

- Fair wear and tear
- Misuse
- Damage by mishandling
- In Transit Damage
- Operation or storage outside of environmental specification
- Failure due to 24 hour operation may not be included
- Lightning Strike

Should you have any questions relating to the Warranty of any Rayled product or require any technical support please contact Rayled .

Limitation of Liability

Except for the commitments outlined above Rayled will not be liable for any direct or indirect, special, incidental, consequential or other types of damages.
